SUBJECT: Expansion of the [REDACTED] Program [REDACTED]

1. It is our understanding that as a result of the Congressional cut in external research funding no monies for FY85 First Quarter unfunded external analysis were authorized. We had submitted a First Quarter request to expand the [REDACTED] Program based on production office interest in the program and your earlier approval (attached). Anticipating additional funds, moreover, we discussed the expansion of the program with the contractor who has implemented the steps (additional office space and staff) needed to permit him to handle the increased workload. [REDACTED]

2. While we recognize that external research funds are tight, we still believe that expansion of this valuable project is justified and will benefit the DI. We, therefore, request that our First Quarter proposal for [REDACTED] to increase the 1985 contract from [REDACTED] be approved and funds authorized. [REDACTED]
